

Technology Lab Field Trip

12/04/09

Name:

Lab Assessment Guide

As we visit each of the labs, please do a little reflection and evaluation on the various elements of each lab. Keeping in mind our core values, evaluate each lab by looking for the various elements of the *Conceptual Age*. For each element, determine if the particular lab is weak or strong in the element and why.

MRMS

Primary Provider: Synergistic Modules

Element	Weak or Strong	Determining Factors
Design		
Story		
Symphony		
Empathy		
Play		
Meaning		

Other Thoughts:

RVMS

Primary Provider: Synergistic Modules, Creative Learning Systems, In-House
